R82 High-low:xo foot support rod

Code (s) : 0500-8910820-1, 0500-8910820-2, 0500-8910820-3

Single rod for foot support The single rod for foot support is needed to mount the foot support on the frame. The extended version allows for positioning of the foot support further in front of the frame and therefore accommodates larger seat depths. Available in 3 sizes 155/290/350mm
