R82 Rabbit Up standing frame

The R82 Rabbit Up is a versatile standing frame that supports upright or prone standing. It offers users the option to explore with two driving wheels, promoting independence and sensory stimulation. Available in four sizes, it accommodates children from approximately 870mm to 1800mm in height.

FEATURES

- Optional driving wheels for increased independence
- Angle adjustable centre bar for optimal standing position
- Quick release wheels for easy mounting
- Camber angling for adjustable fit for the child
