

# Vicair Vector O2 10 cushion

Code: XVOVR10

This Vicair Vector O2 100mm high wheelchair cushion is an ideal wheelchair cushion for the prevention of pressure injuries. Designed to be stable for support and positioning, it is also a high-quality addition to a pressure injury treatment plan (stage I-IV) for low – very high risk. This pressure relief cushion is ultra light at 0.725kg, and offers support where needed.

Nine adjustable compartments provide maximum stability and extra positioning support for the thighs, resulting in improved fun...

## FEATURES

- Contains hundreds of Smartcells to provide optimum pressure redistribution and stability
- Does not require monitoring of pressure or pump inflation on a regular basis
- Can be adjusted for posture asymmetry
- With the ability to move the cells, the cushion can be adjusted to provide joint support
- 100% breathable for comfort, optimal micro-climate temperature, heat transfer and moisture regulation
- 100% Machine washable at 60°C without removing the SmartCells
- Comes with the Comfair cover as standard
- Compatible with the Incotec cover and Top cover, sold separately
- Asymmetry - Accommodation and correction mild
- Level of support and stability - Immersion moderate
