

Levo C3 standing power wheelchair

The Levo C3 is the ultimate powered standing wheelchair perfect for active people on the move. The C3 drive system turns a maneuverable mid-wheel base into a powerful, curb climbing 4-wheel drive action base and offers a brilliant turning circle. Integrated with the latest advancements in the renowned Levo standing systems, it ensures an incredibly smooth transition to standing while the automatic wheel base adjustment means you have a front wheel drive base for unmatched stability.

FEATURES

- Four powered wheels for superior traction and agility
- Climbs over curbs up to 4 inches
- Safely and effectively climbs and descends ramps up to 10°
- Off road traction capability
