Juvo® attendant-propelled commode with sliding footplate

Code (s) : 2340, 2340/2350, 2340/2351

The Juvo® attendant-propelled shower commode, with sliding footplate, assists transportation of the patient for showering and toileting. Designed for multi-user situations in nursing homes, it is manufactured from strong stainless steel tube and mounted on four 125mm water-resistant stainless steel braking castors. It includes a simple-to-use, adjustable sliding footplate and swing-up safety arms for easy side transfer.

FEATURES

- Swing back front locking armrests to assist in side transfer and patient access
- Two-position height-adjustable armrests
- Safety arms provide user security and safety
- Footrest slides out of the way
- Stainless steel castors
- Durable total stainless steel frame
- Non-woven, open comfort back strap design
- Safety arms can swivel 360° so that they can lock in front to provide user security
- Easy front access for hygiene
