R82 Flamingo High-low shower commode

The R82 Flamingo High-low shower commode provides seamless height adjustment for convenience in caregiving tasks. The PU inlay ensures user comfort and the highly functional design simplifies caregiver use. With five configurations available, including freestanding with a pan, over the toilet, or as a shower chair, the Flamingo High-low is highly adaptable. Its removable seat allows for direct mounting on a toilet or in a bath, adding flexibility and ease of use.

FEATURES

- Easy adaptation of working conditions
- Seat height adjustment from 530 to 740mm
- Height adjustability eases transfer from/to the chair and provides optimum working conditions for the career
- Easy to operate tilt-in-space and back recline functions which accommodate positioning of the user
- Easily accessible foot pedals for height adjustment and tilt-in-space
- The pedals are equipped with security locks for added safety
- The PU inlay and the back recline function make bathing very easy to get comfortable and stay relaxed

R82 Flamingo High-low shower commode
