R82 x:panda shape adjustable seat wedge

Code (s) : 0500-9110, 0500-9113, 0500-9116

Seat wedges for the R82 x:panda shape create a gentle contour in the seat and enhance function and pressure distribution by accommodating the ischial tuberosities. They increase the contact area between the user and the cushion, providing pelvis stability and control through optimal positioning, and preventing the pelvis from rolling backwards. The wedges are adjustable in length to accommodate the needs of a growing child.

FEATURES

- To suit the R82 x:panda shape
- Gentle seat contour
- Improves pressure distribution and pelvis stability
- Prevents pelvis rolling backwards
- Adjustable in length as the child grows

R82 x:panda shape adjustable seat wedge
