R82 Chilla foot support

Code : 0500-881055

The R82 Chilla foot support with edge fits the R82 Chilla and helps create a stable base of support for the feet. The raised edge prevents the feet from sliding backwards when the seat is tilted. It flips up out of the way when not needed and is angle adjustable to suit individual positioning. Available with a short holder, compatible with the R82 Chilla frame.

FEATURES

- Creates a stable base of support for the feet
- Raised edge prevents feet sliding backwards when the seat is tilted
- Flips up out of the way when not needed
