R82 Chilla infant cushion

Code : 0500-88100-80

The R82 Chilla infant cushion fits the R82 Chilla and provides supported seating for infants, creating the opportunity for early intervention and helping the child participate and socially interact with parents, carers and their environment. Made in one piece, it covers the seat, back, hip supports and upper arm supports, with 20mm thick foam for comfort. Available in black, compatible with the R82 Chilla size 1.
