R82 Chilla pommel with quick release

Code (s) : 0500-881044-1, 0500-881044-2

The pommel with quick release for the R82 Chilla provides stability for the lower limbs and helps prevent hip adduction by supporting the lower thigh and upper lower leg. Quick release allows easy removal of the pommel, helping the child transfer in and out of the R82 Chilla independently.

FEATURES

- Supports lower limbs
- Prevents hip adduction
- Quick-release for easy transfers

R82 Chilla pommel with quick release
