R82 Stingray buggy with central braking

The R82 Stingray is a unique, stylish and versatile buggy with a tool-free adjustable postural support. It has a swivel action for forward and rearward-facing options. The carbon frame makes it perfect for families on the go, while prioritising adjustments, comfort, and light steering. The 180° turnable seat allows easy switching between positions. Safety is a top priority with its excellent driving properties, superior suspension, matched with reliable central braking.

FEATURES

- 180° turnable seat allows your child to explore surroundings and make eye contact with you
- Adjustable seat tilt and back angle for perfect seating position and resting during walks
- Foldable design for easy storage and transportation in any car
- Central braking
- Approved for transportation of up to 40kg user weight in vehicles
- Complies with ISO 7176-19 for safe transportation in motor vehicles
