Meyra Optimus 2 RS

Code : XME2201

The Meyra Optimus 2 RS front-wheel drive power wheelchair offers excellent traction and off-road mobility over unpaved terrain, steep inclines, and kerbs. All-wheel suspension with adjustable shock absorbers gives a smooth, stable ride, and speeds range from 6 up to 15km/h with a travel distance up to 111km depending on the configuration. It supports users up to 150kg and is occupant safety crash test compliant for vehicle transport.

FEATURES

- Individual wheel suspension for improved drive comfort
- FWD ideal for extra torque
- Travel distances further, up to 60-111km depending on software
- Speed options 6-15km/h
- Safer for occupant seated in the powerchair during vehicle transport
- Occupant safety crash test compliant to ISO 7176-19
- R-net electronics allow provision for all specialty controls
- Chassis and individual wheel suspension for improved driver comfort
- Seat tilt electric 20° and back recline electric 50°

Meyra Optimus 2 RS
