# TA indoor power wheelchair

Code : XTAIN02

The TA Indoor front-wheel drive power wheelchair is made for tight spaces, ideal for someone who spends most of the day in their chair with smaller spaces to navigate indoors. An ultra low seat height of 15″ fits under tables and counters, and standard seat elevate, tilt, and recline let users sit comfortably at tables and reach higher areas in the kitchen and bathroom. Its 18″ turning radius suits narrow passageways.

## FEATURES

- Extremely compact footprint for tight indoor spaces
- Front-wheel drive manoeuvrability
- Ultra low seat height of 15″ to fit under tables and counters
- Tight turning radius of 18″
- Approved as a vehicle seat with the 4 point tie down system
