# Meyra iChair MC1 Light wheelchair

Code (s) : XME10248949, XME10248951, XME10248947

The Meyra iCHAIR MC1 Light is ideal for keeping mobile and has been designed for the outdoors with its large tyres and an impressive range of up to 30km on full charge. Available in three different seat widths (380 - 600mm), it offers flexible seating adjustments for optimal positioning and effective pressure relief. Modern dynamic electronics with an LED swing-away control make operation simple, while foam cushions and backrest, and manual tilt settings come as standard to ensure maximum comfort. Powerful LED lighting enhances safety, making this wheelchair practical and reliable.
