Meyra iTravel Carbon wheelchair

Code : XME9107414

The Meyra iTravel Carbon ultra-light power wheelchair is designed for effortless navigation and everyday independence, with a carbon fibre frame weighing just 16kg. A tight 25″ turning radius and simple controls give smooth indoor handling, and tool-free adjustments allow quick setup. The chair folds or disassembles for transport, and long battery life allows up to 12km of range with fast charging.

FEATURES

- Flip-up armrests allow for easy transfer
- Includes an under-seat storage bag
- Ultra light weight at 16kg ensures it is easier to lift into a car for transport compared to other chairs
- Folds in one action with no legrests to remove or reattach, making handling for transport easier
- One-hand operation
- Comfortable legrest
