Skytron 3603 UltraSlide operating table

Code : 0105-2020-05

Pairing the industry's longest top slide with substantial weight capacities, imaging access is only part of the 3603 Ultra Slide operating table's advantage. Combine the surgical table's top slide capabilities with an 363kg articulation capacity, and the result is the best of both worlds: imaging and power, all in one operating table.

FEATURES

- 454kg lift and 363kg articulation weight capacity
- Adjustable operating table height of 521 - 1003mm
- Removable back and leg sections for quick accessory attachment and positioning
- Power beach chair positioner for one-touch setup
- Durable stainless steel base is easy-to-clean
- Hand control has a Bluetooth option

Skytron 3603 UltraSlide operating table
